West Basin Municipal Water District
About West Basin

The West Basin mission is to provide a safe and reliable supply of high quality water to the communities it serves.

West Basin's Edward C. Little Water Recycling Facility

What We Do

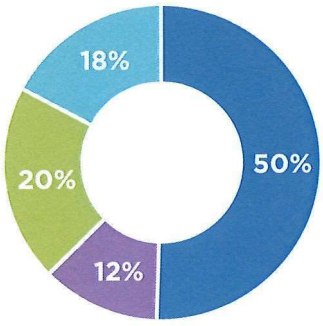

We are a wholesale water agency that provides imported drinking water to nearly one million people in a 185-square-mile service area encompassing 17 cities and various unincorporated areas in Los Angeles County. In addition to imported water, West Basin provides the following key services:

- Producing five types of customer-specific recycled water
- Implementing effective water use efficiency and conservation programs
- Providing community outreach and education programs

Water Supply Portfolio

Based on 2025 Actual Use

- Imported Water
- Conservation
- Recycled Water
- Groundwater

WATER FOR TOMORROW

Securing Our Water Future

- Protect the District's existing water supply
- Diversify and augment our supply portfolio
- Innovate to prepare for the future

Board of Directors

Five elected directors each serve a designated District division.

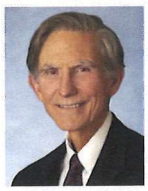

Tommy Faavae
Division I

Carson, Palos Verdes Estates, Rancho Palos Verdes, Rolling Hills, Rolling Hills Estates, and the unincorporated Los Angeles County areas of Rancho Dominguez

Gloria D. Gray
